Forward in Faith is the membership organization which supports and finances the work of The Society under the patronage of S. Wilfrid and S. Hilda. The Society provides ministry, sacraments and oversight that we can receive with confidence, enabling us to flourish within the Church of England and make our full contribution to its life and mission.

- ✘ We are committed to the catholic faith as the Church of England received it, and to proclaiming it afresh in this generation.
- ✘ We uphold catholic order and the catholic doctrine of the sacraments, and in particular the threefold ministry in historic succession, which the Church of England shares with the Church throughout the world and across the ages.
- ✘ We long for the visible unity of Christ's Church, and especially for communion between the Church of England and the rest of the Western Church.

For these reasons, we are unable in conscience to accept the ordination of women to the priesthood and episcopate.

Please support us by joining Forward in Faith.
